Binge Eating Disorder in obese patients suffering from psychosis and mood disorders

Published On: June 21, 2017 | Pages: 018 - 022

Author(s): Fragiskos Gonidakis*, Eirini Ralli, Evelyn Spilioti, Aimilia Tsertou, Maria Ginieri-Coccossis and Eleftheria Varsou

Purpose: The aim of the study was to investigate the possible impact of Binge Eating Disorder (BED) on quality of life (QoL), social anxiety, and perceived mental health in obese patients suffering from psychosis and mood disorder.

Comorbidity between PTSD and Anxiety and Depression: Implications for IAPT Services

Published On: May 30, 2017 | Pages: 014 - 017

Author(s): Rachel Thomlinson, Steven Muncer* and Helen Dent

Objective: The Improving Access to Psychological Therapies (IAPT) initiative was introduced in the UK to increase access to psychological therapies for those with mild to moderate anxiety and depression.

Bupropion Sustained released versus Placebo for seasonal affective Disorder

Published On: May 26, 2017 | Pages: 009 - 013

Author(s): Martin H Teicher*, Danielle M Webster and Steven B Lowen

Background: The majority of seasonal affective disorder (SAD) studies have evaluated the use of light or selective serotonin reuptake inhibitors (SSRI). The purpose of the present study was to evaluate bupropion sustained-release
(SR), a non-SSRI antidepressant, for the treatment of SAD. ...

**Association between Cannabis use, Depression and Apathy: A Study of an Internet Community Sample of Young Adults**

Published On: March 21, 2017 | Pages: 001 - 008

Author(s): Géraldine Dorard* and Manon Cebron de Lisle

The trait of amotivation is commonly clinically described among chronic cannabis abusers but few empirical studies have provided data on these dimensions. ...

**Are antidepressants useful in bipolar disease?**

Published On: December 13, 2017 | Pages: 058 - 058

Author(s): Michel Bourin*

The treatment of bipolar depression is the subject of intensive research, as shown by the numerous references obtained only in the last year using the terms “bipolar depression and treatment” in MEDLINE. ...
