[\*\*Role of a dentist in environment protection-A short communication\*\*](#)

Published On: April 15, 2021 | Pages: 001 - 002

Author(s): M Nazargi Mahabob\*

When we turn on either news channels or social media, we can see the interesting news about plans of colonizing Mars or other planets. However, at the same time it also mentioning the difficulties, uncertainties and cost of the projects. All these because Earth is the only known and proven planet is having liveable environment in the Universe. An environment is the na ...
