## [Renal Protective effects of Melatonin in rat treat by Gemcitabine](#)

Published On: October 27, 2017 | Pages: 074 - 077

Author(s): Pejman Mortazavi\*, Behnam Ahmadnezhad, Iraj Pousty, Negar Panahi, Mitra Aghazadeh, Mostafa Shalika, Vahid Ramezani and Maryam Aghaie Meybodi

Nephrotoxic side effects of gemcitabine have been reported in patients receiving this drug medication. Melatonin is a potent free radical scavenger and antioxidant and has protective effects against ischemic damage. In the present study, we examined the relationship between the renal protective effects of melatonin in tubular damage induced by gemcitabine. This stu ...

## [Splenic Hemangiosarcoma in a 10- year male German Shepherd dog: Case Report](#)

Published On: December 07, 2017 | Pages: 078 - 081

Author(s): Ngetich W\*, Okumu AT, Kitaa JM, Chepkirui E

Hemangiosarcoma is a malignant tumor of endothelial cells and mostly seen in dogs than in other species. A 10-year male German shepherd dog (GSD) was presented to the small animal clinic with history of swollen abdomen and weakness. The dog was conscious but lethargic, weak, tachycardic with muffled heart sounds, labored breathing and tensed swollen abdomen. Radiogr ...
