[Holding big Pharma Accountable](#)

Published On: July 12, 2019 | Pages: 001 - 003

Author(s): Richard M Fleming^{1*}, Matthew R Fleming¹ and Tapan K Chaudhuri²

How can the FDA actually do its job, if the information reported to the FDA does not correctly report how these drugs work, including the pharmacodynamics and pharmacokinetics of these medications to the FDA? Isn't the FDA dependent upon Big Pharma to update the FDA and Physicians, Hospitals, Insurance Companies including CMS and patients, regarding all facts and infor ...
